

TAE Aerospace keeps helicopter operators around the world flying

As a Honeywell Authorized Warranty and Repair Station (AWARS), our team of fuel system specialists meet your needs no matter your location. We strive to support our customers with quality, fast turn times and 24/7 support.

We provide the highest quality maintenance, repair and overhaul of engine fuel control and fuel metering units covering:

- Honeywell LTS101
- Pratt & Whitney Canada PT6A and PT6T
- Rolls-Royce M250/300

By choosing to use TAE for your next event, you can rely on an OEM approved cost-effective solution, fast turn times, local support, and an expert team of engineers.
